There are three things, amongst others, that can make the process of building and scaling an early-stage startup less challenging: **conducive working conditions, a community of like-minded people** and **resources that support growth**.

As an early-stage startup founder, you get access to these when you apply for a Lagos Innovates workspace voucher! With a workspace voucher, you and your team get access to:

- A cool and conducive workspace that enables you to collaborate, brainstorm ideas, hold meetings and build your products without the pressures of accommodation *wahala*.
- A network of nascent startups with whom you can share ideas and build rewarding relationships.
- Resources such as wi-fi, power supply and work equipment.

Apply for a workspace voucher and enjoy the benefits! 🚀
