Strengthen Your Workforce with Fresh Talent!

Hiring the right talent for your organisation can be incredibly challenging. Scouring hundreds of applications and interviewing people to no avail can discourage even the strongest of entrepreneurs.

Luckily, the Nigeria Jubilee Fellows Programme (NJFP) is here to ease the burden. The programme will give you access to a pool of qualified candidates when you come on board as a host organisation.

The candidates will be selected through a thorough assessment process and paid a monthly salary by the NJFP throughout their employment (12 months). Click [here](#) to apply to be a host organisation and get more information.
