

# The Hottest New Opportunities Are Here for You!

Newsletter Archive

Hello ,

Welcome to the ember months! 🎉

We know how busy and “tense” this period can be—the pressures of goals, targets and the need to make more money can be incredibly overwhelming. We are rooting for you as always, and we believe this phase of the year will be a successful one for you! Please go easy on yourself and stay focused. You’ve got this!

Now, let’s dive into this week’s edition of the newsletter, shall we? We’ve got new and exciting things to share with you!

**Introducing... the Tech Talent Drive!** 💻💻

# TECH TALENT DRIVE

A training program  
created to help you  
thrive in tech!

Learn a skill of your  
choice and improve  
your chances of  
securing a job

To secure a spot, visit

[techtalent.lsetf.ng](https://techtalent.lsetf.ng)

Do you want to acquire a top tech skill and get connected to job and freelancing opportunities? This is for you!

The Tech Talent Drive is our latest offering, designed to support you with the training and employment opportunities you need to thrive in the vibrant and exciting tech ecosystem!

The program will take place in hybrid (physical and virtual mode) and will run for three months.

The courses available under this program are:

- Data Science/Analytics
- Blockchain Technology
- Product Management
- Cloud Computing
- Web Development
- Cybersecurity
- Software Development
- Digital Marketing

- Business Analysis

This is one life-changing opportunity you do not want to miss! Click [here](#) to fill out the interest form and secure a spot. We've got more details coming soon!

## Call for Applications: The Lagos Innovates Idea Hub Program 🚀

Being an early-stage startup founder can be tough—you're trying to build something successful and make a name for your startup in a highly competitive ecosystem, after all. If you're in this position, there's good news- the **Lagos Innovates Idea Hub Program** is here to help!

The **12-week incubation program** is designed to hold your hands as you take those baby steps towards growing your startup. It will help you achieve a **minimum viable product, build a competitive and sustainable brand, and avoid costly mistakes.**

More benefits include:

- Upskilling and Networking Opportunities
- Business incubation and mentorship by seasoned industry experts
- Access to the Lagos Innovates network, including government, corporates, startups, investors, etc.
- Access to administrative services such as legal, accounting and HR
- An opportunity to pitch for the Lagos Innovates Workspace Voucher Program
- Founders will be ambassadors of the Idea Hub program and join the Lagos Innovates network of startups

Apply now! Click [here](#) to do so.

## Hire skilled and competent graduates for FREE!

We have the scoop on the biggest recruitment **deal** ongoing in Nigeria right now- courtesy of the Nigerian Jubilee Fellows Programme (NJFP)!

As a business, you now have the opportunity to hire young and qualified graduates to work in your organisation for **12 months** while the NJFP pays them a **monthly salary of N100,000**.

The programme is a youth empowerment partnership initiative between the Federal Government of Nigeria, the European Union (EU), and the United Nations Development Programme (UNDP).

To take advantage of this opportunity, click [here](#) to **apply to become a Host Organisation**.

Make sure you complete your application and submit the relevant documents to increase your chances of making it to the verification stage.

For more info, call or send a WhatsApp message to 08184182066.

We are thrilled to announce our next masterclass, **"Tapping into Business Opportunities in the Creative Sector: Fashion Industry"**. If you want to learn how to succeed in the fashion industry and take your brand to new heights, this is for you!

Our facilitator is Omoyemi Akerele, the Founder and CEO of Lagos Fashion Week and Style House Files! For over two decades, she has worked in the international fashion industry and is credited for contributing to the growth of the African creative economy. She has also been featured in top publications such as Vogue. You do not want to miss this opportunity to learn from her!

Click [here](https://bit.ly/lsetfcreativefashion) to register today. See you there!

We hope you found these opportunities exciting. Take advantage of them and share them with others, as well!

That's all for now. See you in the next edition!

Remember, we are always rooting for you.
