**Are You an Innovative Problem Solver? Join the Wazo Challenge!**

The graphic is a promotional poster for the Wazo Challenge Nigeria. It features a light blue background with decorative green borders at the top and bottom. At the top left, there are logos for Hindsight Ventures, Lagos Innovates, and LSETF (Lagos State Employment Trust Fund). Below these is a lightbulb icon with the text 'WAZO CHALLENGE NIGERIA' in bold green and black letters. Underneath the title is the tagline 'Enabling a Robust Early-Stage African Startup Ecosystem'. A dark green button with white text says 'Apply Now!'. To the right of the text is a circular inset image showing an aerial view of a city with a large circular building in the foreground. The background also features faint green leaf patterns.

We are thrilled to partner with Hindsight Ventures on the 4th Edition of the Wazo Challenge Nigeria!

Wazo Challenge Nigeria is aimed at 18 - 35-year-old Nigerians, who are building technology-based ventures to solve local business / social challenges in areas such as financial services, sustainability, agriculture and healthcare.

The program is a 4-week venture development bootcamp, led by global mentors and industry partners, culminating with an investors demo day. At the bootcamp, you will get access to industry connections, international networks, peer community and more.

Furthermore, during the course of the bootcamp, each selected startup will get access to \$600,000 worth of technology credits. Awesome, right?
