Hello

We are ceaselessly inspired by the millions of entrepreneurs like you, chasing their dreams and making magic happen in the vibrant city of Lagos. From the crack of dawn to sundown, the air is thick with the determination, diligence and unbreakable spirit of these entrepreneurs.

At LSETF, we celebrate entrepreneurs every day, but this month, in light of Global Entrepreneurship Week, we are taking it up a notch with a celebration themed **#GidiHustle**. We will share inspiring stories, discuss relevant business tips, and more! We've got some exciting surprises we cannot wait to share with you, so stay tuned and follow us on our social media pages! 🥳

Let's dive into this week's edition of our newsletter, shall we?

## What Are You Doing This Weekend? 😊

If you are looking to de-stress, have fun and do some shopping this weekend, we invite you to join us at the Lagos International Trade Fair, where our beneficiaries are showcasing their products! (Would you love to benefit from opportunities like this? [Apply for our programmes](#) and become a beneficiary!)

The Fair officially comes to an end on Sunday, November 13, and we do not want you to miss out on the experience!

Below are some highlights from the Fair.

Visit our designated booths at Hall 1, Tafawa Balewa Square, Lagos, from 8:00 am – 6:00 pm to meet our beneficiaries and make some purchases from their diverse businesses!

**Watch Inspiring Stories from the Lagos MSME Recovery Fund 2.0!**

The MSME Recovery Fund 2.0, a grant scheme designed to help businesses recover from the harsh socio-economic impact of COVID-19, is one of our landmark projects at the Lagos State Employment Trust Fund. The initiative, launched on October 1, 2021, has supported over 2,600 Lagos businesses through concerted efforts by our dedicated team and partner organisations. 🙌

We sought to understand the impact of the grant beyond the numbers by visiting the beneficiaries and hearing from them. What we discovered were inspiring and soul-stirring stories of persistence and restored hope. We launched these stories this week and will share more in the coming weeks!
