Who is excited to hear what we have got this week?

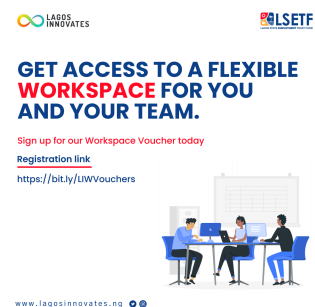

Need funds for your business? You are in the right place. We will be having a webinar on the 8th of September discussing how you can access finance through our different programs. The webinar will feature **Adenike Adeyemi** (Fate Foundation) and our beneficiaries who will be sharing their stories too. Please find the details in the flier.

Still, on this matter, we are committed to helping you save your hard-earned funds and channelling them to other areas of your business. Just before you go, we need a tiny favour, we are supporting our partners at Fate Foundation to get feedback on the state of entrepreneurship in Nigeria.
