There are tech-powered systems designed to make your business process more efficient, seamless and error-free. We want you to adopt these systems, so we are inviting you to a webinar on the topic "Automating Business Processes for Better Efficiency."

Our guest speaker, Oluwaseun Farinre, CEO/Head of Design of Torilo, Nigeria, will explore the topic in detail, and we are certain that you will learn a lot. So, register for the [webinar](#), save the date (see flyer for details), and get your notepad ready. Let's learn!

Our Pick of The Week

Our pick of the week is the recently published article "**Why You Should Formalize Your Business**", authored by our Research and Policy Unit.

There are incredible benefits that come with business formalization, such as a positive brand reputation and access to partnerships and funding opportunities. If you currently run your

business informally, we believe this article will encourage you to begin the formalization process.

That's all for the week! See you in the next edition. 💙

Remember, we are always rooting for you.
