Our Q2 2023 Macroeconomic Highlights Report Is Here! 🇳🇮 📈

In our comprehensive Q2 2023 Macroeconomic Highlights Report, our research team analysed and examined the key macroeconomic indicators, economic insights and sectoral updates that shaped the second quarter of this year.

Here are some takeaways from the report:

- The rollout of 5G boosted Foreign Investment by 325%
- Nigeria and 64 other countries are set to benefit from the Developing Countries Trading Scheme (DCTS)

- AfDB has approved a \$525,000 grant for African fintech firms
- 80% of MSMEs are optimistic about business opportunities

If you are seeking insights to help you make informed decisions in Q3, or simply looking to feed your curious mind with relevant information, click [here](#) to read the report.

Watch the Replay of our Engaging Business Fundraising Webinar!

On Wednesday, July 5, we held a webinar on "Raising Funds to Grow Your Business (Equity, Grants, and Loans)" and it was enriching and highly informative! Our facilitator, Ephraim Unuigbo, revealed the best practices for business fundraising, highlighted key factors to consider and gave us an in-depth look at equity financing, grants and loans.

Whether you missed the webinar or simply want to revisit the insights and strategies shared, you can catch up and gain a fresh perspective on fundraising for your business. Click [here](#) to watch the replay.

Are you Threading or Still Watching?

P.S: You've probably seen or heard the buzz about Meta's recent launch of Threads, their answer to Twitter. This move has sparked interesting conversations on market competition in the tech space.

Will Twitter maintain its dominance, or will Threads change the status quo and come out on top? Time will tell. For now, we encourage you to take note of the lessons from the unfolding developments and look out for the opportunities that the new social media platform will provide!
