We Launched the Volunteer Network on a High Note

Today, June 16, 2023, we launched the Volunteer Network Program with an onboarding session for the selected volunteers!

The volunteer network is a platform of dedicated professionals who are aligned with our vision and are committed to dedicating their time and expertise to our impact-driven interventions.

Through the program, the volunteers will serve in the following capacities: training facilitation, mentorship & coaching support, field engagement research, programme evaluation/assessment and others as needed.

It was a pleasure meeting the volunteers in person and hearing them express their communal passion and zeal to join us on our journey to making lasting impact on the lives of Lagos residents. Watch out for more exciting updates on the program!
