Introducing...GoRecycling! ♻️

On Thursday, April 13, 2023, the Lagos State Employment Trust Fund (LSETF), Sahara Foundation and Wecyclers formally launched the Recycle for Pay Program (GoRecycling) in Lagos State.

GoRecycling is an incentive-based, crowd-sourced recycling initiative that targets individuals, households, communities and organizations. Through the initiative, we aim to foster sustainable and ethical waste management practices, contribute to the growth of a circular economy and empower Lagos residents to turn their waste into wealth.

We introduced the first of twelve modular recycling exchange hubs on Thursday at the Isolo Local Council Development Area! If you reside in Isolo, we encourage you to visit the LCDA with your recyclable items, such as plastic bottles, aluminium cans, paper, cartons and more, to begin your waste-to-wealth journey!
