

Dear Compatriot, Happy Independence Day!

Newsletter Archive

Hello ,

Today, we celebrate a defining milestone in our nation's history- Independence Day.

Independence gives you the power and freedom to chase your dreams, chart your course, own your journey and choose your path. It is the reason you can envision the future you desire and map out a plan to get there. On this special day, celebrate your independence and make the best of it!

Now, let's dive into this edition of our newsletter, shall we?

Join Us at Our Upcoming Masterclass!

The banner features the LSETF logo at the top left and the words "MASTER CLASS" in large, stylized yellow letters at the top right. Below the title is a green and orange gradient box containing the text "Why Corporate Governance Is Important for Business Growth". The background has a blue-to-white gradient with a torn paper effect at the bottom. Three circular portraits of the speakers are displayed below the title: Bisi Adeyemi (yellow jacket), Tayo Oviosu (orange shirt), and Omokaro Unuakpor (blue suit). Below each portrait is their name, title, and role (Facilitator or Moderator). A Zoom logo is in the bottom right corner of the banner area.

As your company grows, it is crucial to implement and incorporate systems that guide its decisions and practices to ensure its continued growth and success. Corporate governance is an example of such. But what does a corporate governance framework look like, and why exactly is it essential for the growth of your business? Join us at our upcoming masterclass to get the answers!

Our facilitators are Bisi Adeyemi, the Managing Director of DCSL Corporate Services Limited and Tayo Oviosu, the Founder and CEO of Paga. They will share insights, practical tips and answers to your questions on corporate governance. We encourage you to attend and tell others to do so! Click [here](#) to register!
