Sustainable Job Creation Strategies: Collective Action and Prosperity for All

Powered by

LAGOS STATE
MINISTRY OF ECONOMIC PLANNING AND BUDGET

The National Anthem

Arise, O compatriots, Nigeria's call obey
To serve our fatherland
With love and strength and faith
The labour of our heroes past
Shall never be in vain
To serve with heart and might
One nation bound in freedom, peace and unity.

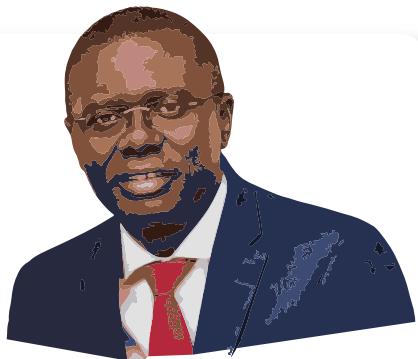

Oh God of creation, direct our noble cause
Guide our leaders right
Help our youth the truth to know
In love and honesty to grow
And living just and true
Great lofty heights attain
To build a nation where peace and justice shall reign.

National Pledge

I pledge to Nigeria my Country
To be faithful, loyal and honest
To serve Nigeria with all my strength
To defend her unity
And uphold her honour and glory
So help me God.

About the Lagos Employment Summit 2.0

The Lagos Employment Summit is a 2-day summit convened by the LSETF and MEPB, themed “Sustainable Job Creation Strategies: Collective Action and Prosperity for All” to discuss innovative and sustainable approaches to job creation, drawing from experiences and/or interventions of notable local and international institutions, including public, private and non-profit organizations.

This summit is aimed at creating an avenue for various actors to discuss approaches to creating sustainable employment for youth. The discussions will explore the effects of the pandemic on the workforce and map the different scenarios to create medium to long term solutions.

This summit will have in attendance representatives of International Development Partners, Federal and State Regulatory Bodies, Business/Industry/Thought Leaders, Corporate Organisations, Training Institutes, Technology Start-ups, MSMEs etc who all make up the community of practise on the issue of unemployment and job creation.

Summit Objectives

The objectives of the summit include:

- To discuss existing and alternative approaches to enhance the transition of Youth from education to the workplace while ensuring gender equity and social inclusion.
- To brainstorm on innovative approaches to the future of work and enterprise in relation to the COVID-19 pandemic.
- To identify new trends and opportunities in diverse sectors and value chains that need to be prioritized with the right investments.
- To foster conversation on sustained job creation partnerships and strategies to ensure diverse viable pathways for education to employment.
- To build a community of practise that promotes collaboration and collective action post the summit.

Summit's 1.0 (1st Edition)

ORÍKÌ GROUP

ORÍKÌ Group is a wellness and personal grooming brand that is the first and only company in Nigeria to operate a luxury spa chain coupled with its own farm to skin product range.

We utilize only the best, efficient & potent natural ingredients from the richest resource Continent in the world, Africa. ORÍKÌ Group comprises of a multi-channel spa, farm to skin retail product company, a manufacturing and amenity product line for spa's, salons, hotels, and airlines; a training institute, a global franchise opportunity and a spa consultancy arm.

We are a fast growing organization having developed/operated 7 spas in the past 6 years, and created distribution channels for our retail products across Nigeria and in three continents. Our mission is to leave a piece of Africa with consumers around the world by creating farm to skin products, wellness centers, empowering farming ecosystems and instilling 'skinconfidence'.

About the Innovation Challenge

LSETF's Lagos Innovates in partnership with LASRIC, Avant Garde hosted an Innovation Challenge to explore possible solutions to combating the challenge of youth unemployment.

The objective is to:

- Create an avenue for individuals and/or teams to come up with technology driven solutions that can facilitate **sustainable job** creation strategies.
- Create a platform for existing technology based businesses to showcase their solutions that have the potential to create **sustainable jobs** and reduce unemployment.
- Serve as an opportunity for LSETF to explore new and innovative entrepreneurship and employment strategies that lead to job creation.
- Foster Innovative thinking and ideation for the improvement of existing products and services that can lead to sustainable job creation.

We have received over 169 unique entries and the top 5 solutions will have an opportunity to pitch on Day 2 of the summit. 3 winners will be selected to receive prizes and ongoing support to develop or scale their solution.

In addition, everyone who applied will have an opportunity to be part of the Lagos Innovates Idea Hub Programme.

About Side Clinics

As part of the Lagos Employment Summit and in line with LSETF and MEPB's commitment to increase jobs and boost the economy in Lagos state, 200 unemployed and under-employed youth will participate in clinics on both days of the summit.

The free clinics will include masterclasses where participants will have one-on-one interactions with Human Resource experts on how to improve their skills to secure employment.

The two hour clinics will feature a career development session that includes:

1. Presentations
2. Q&A
3. Goal/Career mapping
4. CV Writing Support

Attendees will also have the opportunity to hear from top career professionals, ask questions and receive tailored, real-time feedback.

Topical areas to be addressed at the HR Clinic sessions include:

1. Positioning for long term career success.
2. Alternatives to formal employment.
3. Leveraging the GIG economy.

Facilitators:

1. Oluwatoyin Williams-Edem - The Peoples Impact
2. Ifreke Branson - Wooden HCD
3. Dolapo Amudat Ibrahim - Google Nigeria
